**Cylinder, Rectangle**

Brighton Academy will be **CLOSED** Monday September 7, 2015 for Labor Day. Have a safe and happy holiday!

### Thanks for Helping Us Reach Our Goal

Brighton would like to thank all our families who donated books, spare change, and bought books at the book fair. We passed our goal of \$1,000 with \$1,514 in book sales! We have earned lots of points to go towards new books for our school. We could not have done it without your support!

Sunday September 13, 2015

## *Dancing Little Stars*

Dance class starts back the week of  
September 14, 2015.

Dance class is for children who are  
3 years old and older.

## Welcome to a New School Year

The month of September is the start of our academic year. Our staff has been working diligently to prepare and organize the classrooms for a successful school year.

## Scholastic Reading Club

This month starts the return of the monthly Scholastic Reading Club. Flyers will be sent home at the beginning of each month. Books can be ordered online and will ship to our school. Every month we will have a goal. All purchases earn our school points to help us buy new books for the classrooms. Last year we earned over 5,000 points! With your help we can earn even more!

## First Day of Fall

September 23, 2014

## **Classroom Headlines**

### **Babbles from the Infants**

The infants are excited to welcome fall this month. We will be learning “bed” and “all done” in sign language. Our developmental highlights for the month include: Alaynah is pulling and crawling, Dalayna is trying to crawl, and Brycen is walking. We would like to welcome all of our new friends to our classroom family! As always please remember to ensure your child has extra clothes in their cubby.

Infant teachers,  
Ms. Vicki, Ms. Joyce, and Ms. Tonjia

### **Tales from Dev. 2**

Time to kick off our health and nutrition month. This month we will be discussing healthy foods, dental hygiene, and healthy bones. This month we will create healthy artwork such as sponge painting apples, paper plate watermelons, and paper towel shakers. We know our health and nutrition plays a very important part in our everyday lives. We would like to welcome our new friends to our classroom family.

Dev. 2A Teachers,  
Ms. Kesha, Ms. Amanda, and Ms. Tramaine

### **Topics from the 3B**

Dev. 3B is ready to learn about health and nutrition. We will be making a food pyramid, berry art, finger paint grapes, and so much more. We would like to welcome all our new friends to our classroom family! Please remember to bring a blanket and fitted crib sheet for your child every week.

Dev. 3 Teachers,  
Ms. Telecia and Ms. Toya

### **Word from the Ones**

Let's get fit Dev.1! During the month of September we will be discussing the importance of health to our little ones. We will be learning the importance of teeth brushing, combing our hair, and getting dressed. We will be making a food pyramid to learn about each food group and portion size. We would like to welcome all our new friends to our classroom family. Please remember to bring your child a fitted crib sheet to school each week and ensure your child has a change of clothing.

Dev. 1 Teachers,  
Ms. Donna and Ms. Lauren, and Ms. Seoulita

### **Events from 3A**

We will snap, crackle, and pop this month. We will learn about snapping bad eating habits, cracking all clues to better health, and pop into great shape for a healthy way of living! We will make a food pyramid, bubble wrap grapes, x-ray handprint, and so much more. We would like to welcome all of our new friends to our classroom family. Parents please remember to bring your child a fitted crib sheet and small blanket to school each week.

Dev. 3A Teachers,  
Ms. Cynthia, Ms. Brittany, and Ms. Marinda

### **Happenings from the Fours**

As a new school year begins, D4 will miss our graduates of 2015 and welcome our upcoming class. During the month of September, as we discuss health & nutrition we will talk about healthy bodies, while exercising each day, allowing each child to demonstrate an exercise. Parents don't be surprised if your child comes home requesting an exercise to teach the class. As we discuss healthy foods, we will also try a few! We all of our new friends to our classroom family!

Dev. 4 Teachers,  
Ms. Diane and Ms. Amanda
